LOCAL CEMETERY PRICES (As of July 2015)

The list below provides normal charges for many local cemeteries frequently selected. Cemetery fees generally are separated into two categories:

- 1). **Purchase Land** (grave or burial plot cost) and,
 - 2). **Interment Fee** (labor fee to open/close the grave M-F);
- +Many cemeteries add overtime fees on Saturdays.**

Most cemeteries require the purchaser to select a grave and sign their contract within 48 hours prior to a burial. If you wish, the funeral director will make an appointment for you with the cemetery of your choice. In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, **many cemeteries require that you have such a container so that the grave will not sink in.** Either a grave liner or a burial vault will satisfy these requirements. Consumers usually select an outer burial container from the funeral home, while a few cemeteries sell limited outer containers. We offer a wide variety of options at reasonable pricing; *this item will be added to the funeral contract.* We deliver to all local cemeteries.
