***Let Distinctive Funeral Choices
Assist With your Cremation Memorial Service***

The survivors usually have so many things to cope with that our presence removes what could otherwise be a large burden to organize and oversee something so important. Though friends or church members may offer to assist, they don't know the many intricacies that are involved in staging a meaningful memorial ceremony. Our professional directors will receive flowers that are sent to the funeral home, church or other facility. We compile the flower cards to assist you later in writing acknowledgments. We prepare a typed summary for clergy listing various details that pertain to the deceased and survivors as well as the ceremony. We arrive an hour early and attractively display the flowers in accordance with religious customs and clergy preferences. We bring, display, or otherwise care for the cremated remains as you so desire. We reserve and assist with seating. We set up memorial registers for signatures, greet guests as they enter, guide them as needed and offer printed materials such as memorial folders. We provide memory boards to the family for special photos and bring our artist easels to the ceremony for display of those boards. We coordinate with musicians and clergy and prepare honorarium checks. During the ceremony we are able to assist with the playing of prerecorded music. At the close, we usher the survivors and others. We then transfer and display flowers, memory boards, and mementos to the reception or as you otherwise direct us.

Our Guarantee: We are so certain that you will agree it is a good decision to engage our services in conducting the memorial ceremony that we will remove the fee if you are dissatisfied in any way.

Receptions

You now can enjoy the convenience of having refreshments in one of our new, on-site Reception Centers. You can bring in your own food or we can provide a catering list for you to choose from. The best part is we will take care of the room set-up and clean-up, so you can just relax and enjoy the good food and memories!

DVD Tribute Videos

We are pleased to announce that you can now share special moments from your loved one's life through a Video Tribute. This Keepsake is a full motion DVD that blends selected photographs with beautiful video scenery and fitting background music. A personalized Tribute Video will be a treasured memorial to share with family and friends for years to come.

Pre-Planning

We strongly believe that it is important for families to plan their funerals and cremations in advance and consider various options without pressure or obligation. WE ACCEPT MOST PREPAID FUNERAL PLANS FROM OTHER FUNERAL HOMES.

PREPARATION OF REMAINS

Embalming

\$ 695

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial. Embalming is a chemical process, which provides temporary preservation of the body and eliminates health hazards. A person licensed by the State must perform this procedure. The Texas Department of Health states: "No human body may be held in any place or be in transit for more than 24 hours after death and pending final disposition unless either maintained at a temperature with the range of 34-40 degrees Fahrenheit, or is embalmed by a licensed embalmer in a manner approved by the Texas Funeral Service Commission, or by an embalmer licensed to practice in the state where the death occurred, or is encased in a container which ensures against seepage of fluid and escape of offensive odors." If there will be a public viewing of the deceased, it is the policy of Harrell Funeral Home to embalm the body. You may decline these services by either making other arrangements or selecting other services.
