

### General Price List

We provide this General Price List in compliance with the Federal Trade Commission Rule for Funeral Industry practices. This rule requires this form ostensibly to enable customers to compare prices. However, due to the wide variation in the selection and quality of merchandise available, it is exceedingly difficult for the consumer to make accurate comparisons solely from these lists.

Here at Floyd Funeral Home, Inc. we have a long tradition of providing our clientele with the highest quality service at consumer prices. We invite you to meet with one of our directors or visit our website at [www.floydfuneral.com](http://www.floydfuneral.com) for further information.

### Terms of Payment

We appreciate the opportunity to be of service to you and your family during this difficult time in your lives. It is our desire to help you in any way that we can, and to assist you in making a decision concerning how you would like to pay for our services and merchandise. The payment options are;

- 1.) A complete payment understanding will be made before family viewing.
- 2.) Families making payment in full on the day of arrangements, we accept cash, check, credit card, or assignment of a non-contestable life insurance policy(s) that are known to be in force. Due to the economy and the lack of the general population carrying or maintaining life insurance, Floyd Funeral Home is not able to provide financing or assist in financing funerals.

\*\*Families are expected to make payment arrangements with the cemetery of their choice. The Manager/Superintendent of the cemetery should call Floyd Funeral Home when all fees are paid and the grave plot is available. If there are any additional costs for having to move monuments, coping, or anything obscuring the grave then the fees will be the family's responsibility.
